

Call for Participation:

Global Campus: Exchange Program for Summer Schools 2022

Global Campus: Exchange Program for Summer Schools 2022 registration is open as of **June 23, 2022 (Thursday)**.

The poster features a central graphic of a globe with four colored segments (01, 02, 03, 04) representing different program aspects: Diversity (01), Internationalization (02), Connectivity (03), and Openness (04). Each segment includes a brief description of the benefit. The poster also lists statistics: 8 Host Universities, 15 Programs, and 500+ Tuition-free/reduction Places. A list of host universities follows, including Aristotle University of Thessaloniki, Beijing University of Civil Engineering and Architecture (BUCEA), Institut Teknologi Sepuluh Nopember, Nanchang University, NewSchool of Architecture & Design, Saint Petersburg State University of Architecture and Civil Engineering, and Wuhan University.

Deadline: July 15, 2022

Notes:

1. The tuition-free places are open to BRAUIC member university students at all levels (Undergraduates, Master's & Ph.D.).
2. All programs are taught in English. Please note that the online programs may be arranged at different time zones, so you shall make sure in advance that the time is

acceptable to you.

3. Apply via the BRAUIC Secretariat to get the tuition-free places; register at <https://www.wjx.top/vm/mThoVnM.aspx>.

4. Each student can only apply for one program under the framework. If you would like to apply for a program hosted by your university, please register at your university.

5. The quotas are allocated on a first-come, first-served basis.

6. Applicants will be notified via email (at the address provided on the form) the outcome of their application within two weeks of applications closing. Successful applicants must confirm their acceptance of the offer following the instructions provided in the notification email by the due date.

7. Removal for Failure to Meet Attendance Requirements. Students enrolled in the Global Campus: Exchange Program for Summer Schools 2022 failing to meet attendance and other requirements will be removed from the Program. Attendance will be tracked by the host university and reported to the home university. It will likely result in losing eligibility for students from the home university for the coming years.
